

2. The purchaser of each lot is required to pay one-fourth of the sale amount into the nearest Taluk Treasury before the close of the day from the date of sale, failing which the lot will be resold at the risk of the purchaser, who shall be required to make good any loss on resale, but shall not participate in any profit thereon. The amount due by such defaulter shall be recovered from him as a revenue demand.

3. The balance of the purchase money shall be paid within thirty days from date of sale, failing which the earnest and one-fourth deposits already paid will be forfeited to Government and the balance not paid for shall be resold.

4. No timber shall be removed by any purchaser until it has been paid for in full and until a license to remove is obtained for it.

5. If timber is left in the woodyard unremoved for more than ninety days from the date of sale, such timber will remain at the risk of the purchaser and further, the purchaser will be required to pay woodyard rent at Rs. 2-4-0 per cent per annum on the purchase money from the date of sale.

K. REVANNA,  
*District Forest Officer.*

#### SAGAR FOREST DIVISION.

C. H. EAGLES,  
*District Forest Officer.*

#### ENGINEERING DEPARTMENT.

##### MYSORE DIVISION.

##### *Notice.*

The attention of the public is invited to the advertisement in detail published in the *Mysore Gazette*, Part VI dated 5th January 1922, calling for tenders for constructing a Local Fund Dispensary Building at Halagur, Malavalli Taluk.

S. MUTHUSWAMY IYER,  
*For Executive Engineer.*

#### LOWER CHANNELS DIVISION, FRENCH ROCKS.

##### *Notice dated 11th January 1922.*

It is hereby notified that the last date for receiving tenders for constructing a superpassage, etc., invited in this office Notification published in the issue of the *Mysore Gazette* dated 5th January 1922, is extended to 20th January 1922.

N. SARABHOJA,  
*Executive Engineer.*

#### SANITARY DIVISION.

##### *Dated 7-9th January 1922.*

1. Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Sanitary Division up to 1st February 1922, for *Pipes and specials required for Chikmagalur Water Supply Delivery Main*. An approximate estimate of quantities is given below. These quantities are not guaranteed. The supply of materials should be completed by the end of March 1922.

2. The materials are to be delivered at Chikmagalur Madras and Southern Mahratta Railway Out-Agency, the town being 25 miles distant from the nearest railway station Kadur on Bangalore-Poona Line. The rates quoted should cover cost of delivery of the materials at the place mentioned.

3. Each tender must be accompanied by a deposit of rupees five hundred in cash or Government Promissory Notes as earnest money, and be superscribed "Tender for pipes and

*specials required for Chikmagalur Water Supply Delivery Main*, in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the Superintending Engineer, Sanitary Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

6. The name of the successful competitor whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course, and the party will also be informed. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. The supply of materials should be begun within 15 days from the date of placing of the orders; and the materials supplied should conform to the following specifications:—

(a) The pipes are to be cast vertically in dry sand, with socket downwards; they must be perfectly free from sand or air holes and from imperfections of every kind. If any sand or air holes are found plugged up, the pipe will be rejected for that reason alone.

(b) The thickness and weight of the pipes should be as per British Standard Specification suitable for a working head of 200 feet (The weight of 9' length of C.I. 4" Sp. and socket pipe=1 cwt. 2 qrs. 7 lbs.).

(c) The pipes are to be carefully coated inside and out according to Dr. Smith's patent process. The coating should be applied at proper heat and in a proper manner.

(d) Each pipe should have its weight distinctly marked after being immersed in Dr. Smith's solution.

(e) A margin in weight of not more than 4 per cent will be allowed.

*List of Materials required.*

G. V. RAO,  
Executive Engineer.

## HASSAN DIVISION.

Dated 11th January 1922.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Hassan Division, up to 15th February 1922 for Restoring Kavalikere Dodkere (minor tank) Regd. No. 278 Hassan Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1922.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Hassan, between the hours of 11 A.M. and 5 P.M. on office days.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

1. Each tender must be accompanied by a deposit of Rupees 150 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for restoring Kavalikere Dodkere (minor tank)" Regd. No. 278 Hassan Taluk in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
